

Moving Transportation Forward

Sebete Transport

Company Profile -
Sebete Transport

Est. 2008

The Founding of Sebete

Sebete Transport is the holding company of Dirk Lötter Transport that was established in 2008. From humble beginnings: Dirk Lötter started out with only 1 truck and has since expanded his fleet to over 150 trucks!

The fleet is currently comprised out of Tautliners, Tankers and Livestock Decks. Both Sebete & Dirk Lötter Transport have a well-established footprint in the transport industry.

Dirk is also a well-known farmer from Willowmore, Eastern Cape, where he farms with Boerbokke and Merinos!

During 2015, Dirk re-evaluated his staff establishment and appointed strong, confident, competent and willing individuals, in order to assist him to increase business potential and growth opportunities he experienced over the past few years. These appointments were also made to increase the efficiency and quality of Sebete Transport's service delivery.

Sebete Transport is a holding company, with only one member and no other associated entities.

The Client will have an open line of communication to Dirk directly.

Our Values

Our Goal Is To Create & Inspire

TRACKING & MONITORING

We have 24h C-Track satellite tracking & monitoring on our fleet, consisting of all truck & trailer combinations. Cameras located in-cab, front exterior as well as all-round coverage. This enables us to not only manage accidents or incidents but also assists in successful third-party recoveries.

SURVEILLANCE

Our fleet controllers constantly monitor & manage the camera surveillance. This manages driver-behaviour and assist with our proactive approach to minimize cell phone usage, unauthorised passengers and deviation from route planning.

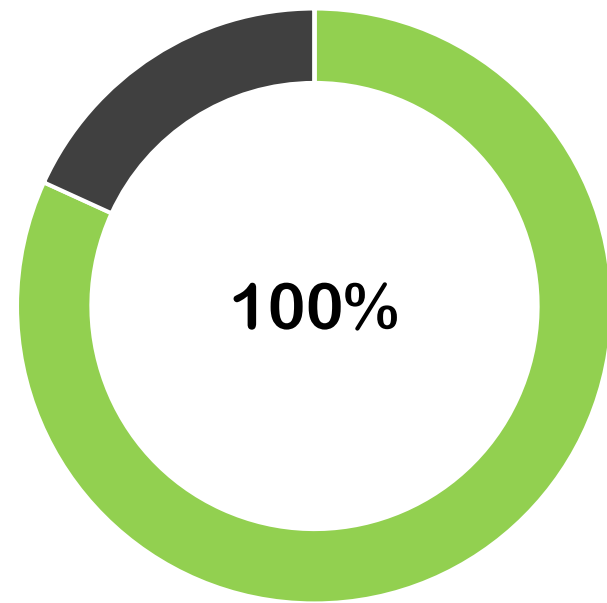

INSPECTIONS

We have a fully operating 24h workshop carrying out daily and weekly inspections on all truck and trailer combinations in our fleet, keeping our vehicles clean and roadworthy.

NEW VEHICLES

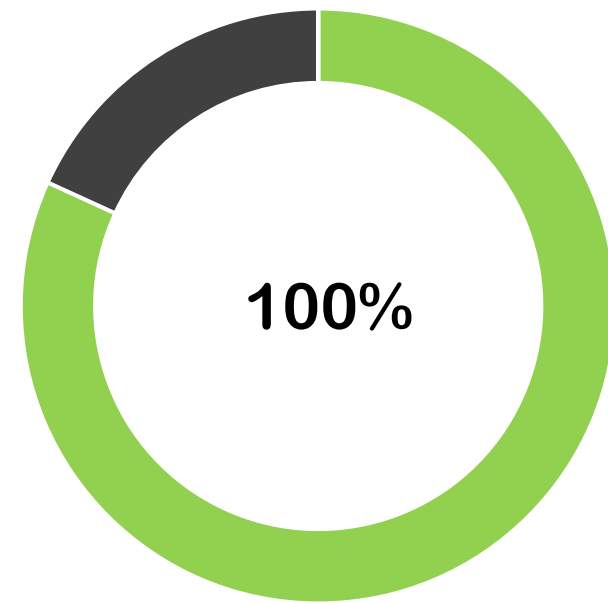

Our vehicles are new and kept in a neat and clean condition. We do regular trade-ins to ensure a neat fleet. We have minimal mechanical breakdowns or maintenance issues thus resulting in on-time delivery of our client's cargo

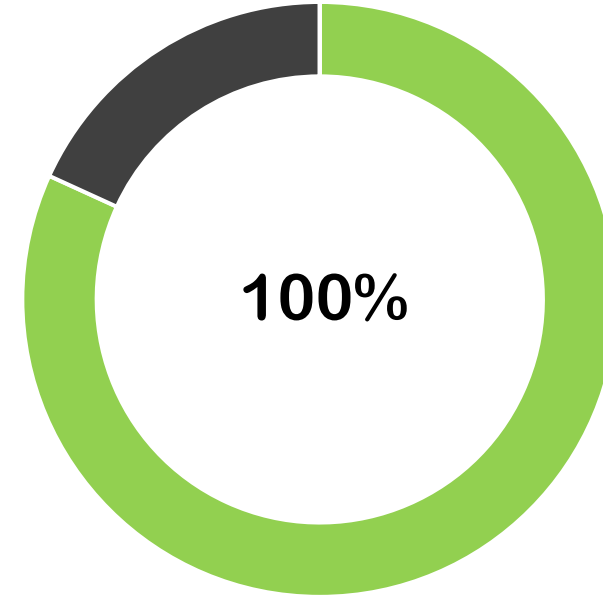

CTRACK

Satellite, vehicle and driver tracking via camera surveillance.

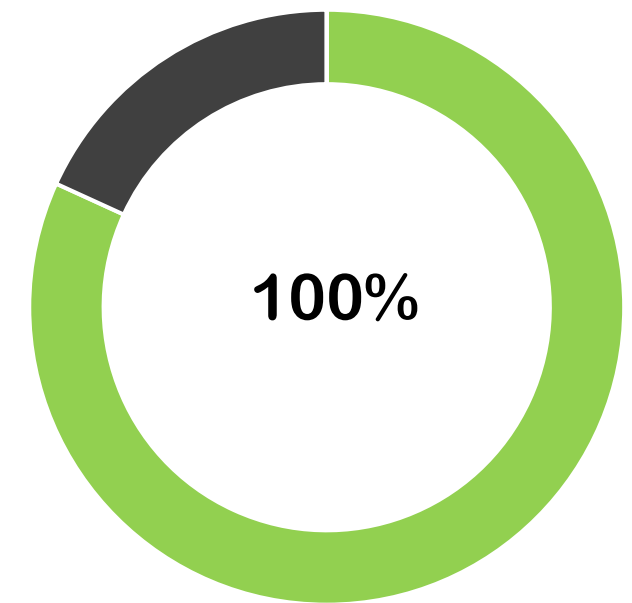

INSPECTIONS
